

## TECHNICAL NOTES

# Wagg & Purr® Daily Joint Care

### Description

Wagg & Purr® Daily Joint Care contains a combination of well-recognised supplements for the maintenance of healthy joints and mobility. Long term use of Wagg & Purr® Daily Joint Care may help improve joint health and function in dogs.

Should signs of lameness, osteoarthritis or decreased mobility arise, seek veterinary advice. Wagg & Purr® Daily Joint Care is not designed as a definitive treatment for osteoarthritis. Supplementation of pets should not be used as a replacement for normal veterinary care and balanced diets.

### Ingredients

Glucosamine HCl, Chondroitin sulphate marine 90%, Turmeric Phytosome feed, Perna canaliculus (green lipped mussel), Vegetarian Dry Dog Palatability Enhancer, Hydroxy propyl cellulose, Maltodextrine, Calcium stearaat feed, Magnesium stearaat feed, Microcel MCC 101.

#### Each Chewable Tablet Contains:

Glucosamine Hydrochloride	250 mg
Chondroitin Sulphate	157.5 mg
Curcuminoids	5 mg
Green-Lipped Mussel	250 mg

### Precautions

If your dog is pregnant, lactating, has blood clotting, liver or kidney disorders check with your vet whether this product is appropriate.

### Daily Amounts

Unless otherwise directed by your veterinarian, administer Wagg & Purr® Daily Joint Care according to the following table. Formulated in a highly palatable chewable tablet, dogs can be offered tablets as treats, or they can be crushed and added to food.

Pet Weight Range	Initial Daily Amounts (4 to 6 weeks)	Maintenance Daily Amounts
5 - 10 kg	2 tablets	1 tablet
11 - 20 kg	4 tablets	2 tablets
21 - 30 kg	6 tablets	3 tablets
30 - 40 kg	8 tablets	4 tablets

### Ingredient Ranges When Administered at Suggested Amounts

Ingredient	Initial Daily Amounts (4 to 6 weeks)	Maintenance Daily Amounts
